EECC 2024

NCS Invoicing and cancellation policy

EECC
EUROPEAN EXAMINATION
IN CORE CARDIOLOGY

U.E.M.S

ESC
European Society
of Cardiology

The ESC will send an invoice to the National Cardiac Society <u>after</u> the EECC exam for the total number of candidates to be charged.

<u>Are invoiced:</u>
- All registered candidate
- Cancellations recorded less than 4 weeks before the EECC exam date
- Registered candidates who do not show-up to the exam (no-show)
- Registered candidates who do not book their exam slot
- Registered candidate who are unable to complete the exam for technical reasons (do not successfully complete the required tests of their computer equipment and internet access)

<u>Are not invoiced:</u>
- Up to 3 candidates (pilot countries only)
- Registered candidate who are unable to complete the exam for technical reasons but follow all recommendations

EECC 2024 Cancellation policy

If a candidate wishes to cancel his/her registration for the EECC, he/she must contact his/her National Cardiac Society which must in turn inform the ESC as soon as possible. If a candidate contacts the ESC directly, the ESC will acknowledge receipt of the cancellation and will ask the candidate to contact his/her National Cardiac Society, but candidate's registration will not be cancelled until the National Cardiac Society officially notifies the ESC of the withdrawal.

Until 17 May 2024 23:59 CET

- The National Cardiac Society will not be charged

Between 18 May 2024 and 2 June 2024 23:59 CET

- The National Cardiac Society will be charged 50% of the fee.

From 3 June 2024

- The National Cardiac Society will be charged the full fee.
